

## Fact sheet - Level 1

# Closing Paragraphs

---

Ending sentence to close/finish/end the paragraph.

Ending sentences can:

- a) repeat the topic sentence in a different way
  - b) express how we feel about the topic
  - c) express what we think about the topic.
- 
- It is important to go to college (repeating topic sentence)
  - I love going to college (expresses feelings)
  - I think college is important for people of all ages (expresses thoughts).

### **Reminder:**

Make sure the facts you are writing are related to the **exact** question you are going to answer in your paragraph.

- What facts and ideas can I use to support my introductory sentence
- Where can I find more facts on this topic?
- Why is this topic important?
- How can I make this paragraph more interesting?
