

## **Drama / Theatre studies transition work**

Research project on The Paper Birds Theatre company.

Using the company's website and beyond conduct research and create an informative PowerPoint presentation on their methodologies.

Under leaning / free resources there is some very informative documents that will support your understanding of their style. They also have a YouTube channel with a range of videos and trailers that will be useful to watch.

Within your research PowerPoint you need to include;

Company aims / methodologies

Approach to devising / techniques

Reviews you have read of their work – take quotes to support your understanding

Evaluative response on the production of Thirsty. Consider what was effective and the techniques they used throughout.
