

Sixth Form Work Shadowing Bulletin

February 2021

Research has shown that employers rate people skills, technology skills and work experience as the top requirements for a job applicant, and students who have undertaken some kind of work shadowing are three times more likely to be successful in finding employment in the future than those who haven't!

Students who have taken part in Work Shadowing placements have found the experience very worthwhile, and many students using evidence of this kind of activity to support university applications and job applications.
