

Year 6 Summer Transition Project 2021- This is me!

You have been set a compulsory project that you must complete over the summer holidays and give to your Learning Manager on your first day at Goffs Academy. There will be certificates and prizes for the best projects.

Where will I find the Project?

Your parents all have a copy of the project. It can also be found on the Goffs Academy website www.goffs.herts.sch.uk where you will find a link for the project under: **Student-Year groups- Year 7 - Year 6 Transition Project.** (You will be able to find this on the website now!)

What do I need to do?

You will be creating a project titled, '**This is me!**' (Please see below for more information.)

Once I have completed the project what do I do?

All of your work needs to be neatly presented in a folder and ready to hand in to your Learning Manager on Wednesday 1st September.

Good Luck!

I look forward to seeing all of your great work.

Miss McBride

Director of Learning- Year 7

We are very excited to meet you in September and we would love to get to know more about you. We would therefore like you to make a creative project consisting of descriptive writing, photographs, artwork and any other creative element, titled, '**This is me!**'

Your project can be presented in any way you choose but one page must be a descriptive writing page and must include the MAPSO techniques- explained below! Remember we will be giving out house points and prizes...so the more descriptive and creative you can be, the better!

I would like you to create a minimum of a page on the following (1 page per topic):

- 1. *What I want you to know about me- including a picture/drawing of you***
(This may include- my family/ my skills/ my hobbies/ my favourite subject and why)
- 2. *My favourite memory/day out***
- 3. *My greatest achievement/something I am proud of***
- 4. *My thoughts about secondary school***
(My biggest fear/ What I am excited about)
- 5. *Anything else you would like us to know about you (optional)***

(Remember- at least one page must be a descriptive writing page and must include the MAPSO techniques below but it is up to you how you present the rest of your project- some of the pages can be annotated drawings/ pieces of art work/ mind maps/ lists or any other ideas you have!)

MAPSO

The Five Golden Nuggets to writing a super piece of Descriptive Writing.

M- metaphor

When you compare something or someone.

A-alliteration

Words that start with the same letter or sound.

P- personification

Giving an object a human feature.

S-simile

Comparing using as/like

O-onomatopoeia

A word that mimics its sound.

Tier 2 vocabulary

High frequency sophisticated and academic vocabulary.

**Adverbs
Ly/ing**

STARTED IT

*How many can you include?
Rewards up for grabs!*

WOW Words:

Perplexed – *very confused*

Flabbergasted – *very shocked*

Gallivanting – *happily moving around*

Lush – *something that is very nice*

Jubilant – *very happy*

Melancholy - *Sad*

Top Tips:

1. Remember to check that your spelling, punctuation and grammar is correct in your writing.
2. Proof read your writing twice through.
3. Try to use a dictionary/thesaurus to help stretch your use of vocabulary.
